

Building A Strong Local Church

Leadership Principles

Let's **Support** and grow the Ministry of GCC!

What does **Support** Mean?

To give assistance, finances, to enable to function or act

- ❖ To serve as a foundation
- ❖ To Agree with and give
- ❖ To encourage others

Support Is Demonstrated:

Strong in Faith

Understand your role is vital

Prayerful

People friendly

Obedient to God's Word

Reproduce others

Training Disciples

We are passionate about educating, equipping and empowering in this church with a Team Attitude!

A Strong **Supportive** Leader always invest in the next generation – they know reproducing themselves keeps the growing effect going forward.

Growing others today (mentoring people of all ages) causes that Leader to lead beyond their lifetime.

1-Parent Process

2-Mentoring is a Process:

I Do

I Do – “You Watch”

They Do – “I Watch”

They Do – Happy Day!!

Support your local church and leaders as unto the Lord!!
